

Become a Volunteer Master Composter...

Garden Organic in partnership with Cumbria County Council are recruiting volunteers to become Master Composters.

Meet like minded people and join a network of volunteers delivering activities including; workshops at schools, talks to local groups, advice at events, and articles for magazines.

Would you like to find out more about composting and help pass on the message to others?

- Free compost training—you don't need to be an expert.
- Ongoing volunteer support and local network of like-minded volunteers.
- Spread the compost message in your local community and encourage more people to start composting at home.
- Master Composters generally undertake around 30 hours of volunteering each year

Training is free and covers the basic elements of home composting and related environmental issues. Two upcoming training opportunities:

Friday 12th October 2018 10am-4pm in Whitehaven

Saturday 13th October 2018 10am-4pm in Kendal
