

NOTICE FROM DUDDON PARISH COUNCIL

To the serial complainers and cowards who hide behind closed doors, computers and anonymous notices on public notice boards.

All members of the public in our Parish are very welcome to attend our meetings which are held every 4th Thursday in the month in the Rankin Room at the Victory Hall at 19.30pm.

The agendas are made available to the public 1 week in advance and we have a public participation section where you can raise any concerns you may have.

We do this because we live in a world of **democracy**.

Be brave, come and talk to us, we really don't bite!

If not, stop wasting the clerk's valuable time which comes at a cost to the tax payer.

Christine Adams

Parish Clerk
