

Section 3 - External Auditor Report and Certificate 2025/26

In respect of **Duddon Parish Council**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2025/26

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

The Internal Auditor has provided a 'Yes' response at control objective K on their report. This suggests that the council correctly claimed exemption from audit in the previous (2024/25) year. As the council was not exempt and did not claim exemption, the answer to this control objective should have been 'Not covered'.

The Internal Auditor has ticked 'Not covered' to control objective M which suggests that whether or not the council correctly provided for the exercise of public rights was not tested. In future, the Internal Auditor should ensure control objective M is considered and marked with a 'Yes' or 'No' response. Based on the information available to us, we expected a 'Yes' response to this objective.

Upon review, general reserves appear to be held at a low level. The council should keep this under review and ensure that they have sufficient general reserves to cover expenditure. Per Paragraph 5.34 of the SAPP Practitioners' Guide 2025, best practice suggests this should generally be at least 3 months expenditure as a minimum. These cannot include ring fenced funds and should avoid including funds which are designated for another purpose.

3 External auditor certificate 2025/26

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2026.
